

Adler and Allan  
Environmental Services

# Comprehensive capability from experts you can trust

24 Hour Emergency Response

**0800 592 827**

# A wide range of complementary services to the oil and environmental management sector

## **Hazardous Liquid Waste Services**

Arrange for collection by our waste-handling experts who will package, label and dispose of all types of waste.

Our facilities can accept, manage and treat a varied range of waste materials. We have ISO9001 Quality Assurance and ISO 14001 Environmental Management Systems at our waste treatment and transfer facilities in the UK.

## **Emergency Spill Response Services 24/7**

Over many years, Adler and Allan has built the resources and skills to tackle the most challenging of situations from domestic tank leaks to major industrial disasters.

## **Specialist industrial tank cleaning and compliant, efficient, waste management services**

### **Tank Cleaning & Sludge Removal**

We provide an expert range of services to storage tank owners and operators in the fuel, water, chemical and manufacturing sectors.

Adler and Allan's enviable reputation has been built on our experience of cleaning all types of storage tanks from small industrial tanks to major refinery and military holding tanks. We have technical specialists who can conduct tank inspections to EEMUA 159 to protect your assets.

### **Tankering**

All types of liquid and solid waste removed and disposed of to authorised sites from small quantities to industrial process arisings.

### **Fuel Services:**

#### **Supply, Uplift & Polishing Services**

Including emergency fuel deliveries.

24 Hour Emergency Response

**0800 592 827**
